

# CREDIT REPORTS

## Value to members

Credit reports offer low-cost credit histories you can use to predict risk and make sound credit decisions quickly. The result is a dramatic reduction of outstanding delinquent receivables and write-offs.

## Advantages

Credit reports come in handy when you investigate a new customer, notice a change in a customer's payment practices, receive an unusually large order, or receive a number of inquiries about a customer.

## Ordering reports

A variety of easy-to-read credit reports are available from NACM Tampa by phone or Web for same-day delivery:

- Industry-specific credit reports - Private industry specific databases
- Flash Reports & Express Group Notification Immediate Flash Alerts of NSF Checks, Bankruptcies, Write-Offs, Fraud and all pertinent information
- Member Profile Reports
- Public Record, Corporate & UCC Filings for Florida
- Comprehensive Personal Background Search
- Account Monitoring Service
- DSO Summary Reports
- One Credit Source.com Consumer Reports
- Distributor of D & B Business Credit Reports
- Past Due Listing from private industry databases
- Endorse American Check Management - Electronic Funds and Check Guarantee Services & On Line Bill Pay
- Distributor of Equifax Small Business Reports
- Endorse ARI Credit Insurance

## Customer strapped?

Credit reports help you avoid *unnecessary risk*. They let you identify the best customers to work with and set appropriate terms and limits for marginal accounts.
